

# DELTA

## BRIEF HISTORY

Delta State was excised from the former Bendel State in 1991. It is one of the major oil producing states in the Niger Delta region of Nigeria. The state is bounded on the north by Edo State, on the east by Anambra and Rivers states, on the south by Bayelsa State and on the west by Ondo State and the Bright of Benin of the Atlantic Ocean. It lies within Latitudes 5<sup>0</sup> 00' and 6<sup>0</sup>30'N and Longitudes 5<sup>0</sup>00' and 6<sup>0</sup>45'E. it covers an area of approximately 17,698 Square Kilometers. The 2006 population census puts the population of the state at about 4.09M people.

The state has 25 Local Government Areas (LGAs), and the state capital is Asaba. Besides Asaba, other important towns in the state include the commercial city of Warri, Sapele, Ughelli, Oghara, Agbor, Koko, Ogwashi-ukwu, Burutu, Ozoro and Okpanam. The state's population comprises many ethnic groups. The major ethnic groups are Igbo, Itsekiri, Urhobo, Ijaw and Isoko. Apart from petroleum and natural gas, which are the major mineral resources of the state, other mineral deposits are kaolin, laterite, clay, gravel, silica sand, bauxite and granite. Although petroleum is almost the sole source of revenue to the state government, indigenes of Delta state mostly engage in agriculture and fishing.

### ELECTORIAL STATISTICS
